Order period, 1/15/24 – 2/15/24; Please do not delay since they must screen print everything at the same time.

Once the store is closed, Ads Special T's will order, print, sort and notify me when ready.

Delivery Options:

- a. If you live in Northern California, I can pick up all the bags when ready and bring them to one of the training sessions to distribute (saves individual shipping cost).
- b. if you live outside the USA, I will pick them up and distribute when we meet at the training camp in Denmark.
- c. If you live in the USA and wish to pay for shipping, specify and pay when placing your order and the shop will ship to you directly.
- d. Players will be assigned jersey numbers; Please use the assigned number when you place your order to avoid conflicts. Players should order the following from the website (minimum):
 - 1 NSA Soccer Bag
 - 1 Red NSA Jacket
 - 1 Blue jersey
 - 1 White jersey
 - 1 pair of NSA shorts
 - 1 pair of NSA Socks (most players order extra in case it rains)
 - two or more red Eurotour shirts (since you will wear them often)

You may order NSA training shirts (20- each) and NSA pennants (5- each) directly from me. Pennants are good souvenirs, and you can also trade with players from other countries.

Supporters may order what they wish, especially the red Eurotour shirt.

NSA Training shirts: All players should have at least 1 blue and 1 grey to wear during training.

Staff should send me your sizes for staff jacket and staff shirts. I will order, pick up and distribute when we meet.
